PARTICIPATION AGREEMENT

It is my understanding that the Appalachian State University's Department of Recreation Management and Physical Education ("ASU-RMPE") through its Health and Physical Education ("HPE") program offers a Home School Physical Education Program (the "Program"), fully described in the document entitled "2017-18 ASU Home School Physical Education Program," which I have received, read, and understood. It is also my understanding that the physical education classes for home-schooled children are taught by junior-level physical education majors in the HPE program in conjunction with a university course in elementary physical education teaching methods, and that all lesson planning and instruction for the Program is supervised by Dr. Benjamin Sibley, a licensed K-12 physical education teacher and a professor in the ASU HPE program. Finally, I understand that the Program is offered on the ASU campus, and that it is my responsibility to drop my child off at the Program site and to pick my child up from that site.

I am the parent or guardian of a home-schooled student and I want my child to participate in the Home School Physical Education Program. I understand that the University does not carry medical insurance to cover illness or injury that my child might sustain as a result of participation in the Program, including transportation to or from the Program site, and that such coverage is my own responsibility. I understand that there are potential risks inherent in participation in any activity or in transportation to or from such activities, including risks of personal injury and death, and property damage or loss. I assume sole and full responsibility for my child's safety during participation in the Program, including transportation to or from the Program site, regardless of location. In consideration of my child being permitted to participate in the Home School Physical Education Program at ASU, I agree, on behalf of my child and myself, as follows:

1. My child will comply with all instructions and directions of Appalachian State University officials, staff, and student lab instructors before, during, or after participation in the Program activities.

2. I understand the possible risks and dangers to me and my property associated with my child's participation in these activities, and my child will participate voluntarily in reliance upon my own judgment and ability. I assume all risk of personal injury, death, and property damage or loss to me or my child from any cause whatsoever, including, but not limited to, my own or my child's own conduct, the failure of anyone to enforce rules and regulations or inspect equipment or facilities, and the negligence of anyone else; and

3. I release and shall indemnify, defend, and save harmless Appalachian State University, The University of North Carolina, the State of North Carolina and their respective trustees, agents, and employees from all liabilities, losses, costs, damages, claims or causes of action of any kind or nature whatsoever, and expenses, including attorneys fees, arising or claimed to have arisen out of personal injuries or death, or property damage or loss, sustained by me or my child as a result of any cause whatsoever, including but not limited to my own or my child's conduct, negligence or other misconduct on the part of Appalachian State University trustees, agents, or employees, or those injuries or property damage sustained by others as a result of my own negligence or intentional acts, during my participation in these activities (including travel to and from the activities sites).

I certify that I am at least eighteen (18) of age and competent to enter into this agreement on behalf of myself and my child, and that my child is medically and mentally sound and physically fit to engage in the activities described above. I further certify that no oral promise, agreement, warranty or representation concerning safety or liability has been made to me.

I HAVE READ AND UNDERSTAND THIS ASSUMPTION OF RISK AND INDEMNIFICATION AGREEMENT, I UNDERSTAND AND AGREE THAT IT WILL LEGALLY BIND ME AND MY ESTATE, AND I SIGN IT VOLUNTARILY.
